File #: 1040.2
Document #: S41027

Mr. Jeff Morales, Director
California Department of Transportation
1120 N Street
Sacramento, California 95814

Attention: Federal Resources Branch, Room 3500
For Rambabu Bavirisetty

Dear Mr. Morales:

SUBJECT: TCAG 2002 FTIP Amendment No.2

We have completed our review of the Tulare County Association of Governments' (TCAG) Amendment No. 2 to its 2002/2003 Federal Transportation Improvement Program (FTIP) submitted by your letter dated December 4, 2002. This amendment was adopted by the TCAG on October 21, 2002.

We accept this TCAG amendment in accordance with 23 CFR 450 and find that the amendment was developed based on a continuing, cooperative, comprehensive transportation planning process in accordance with 23 USC 134 and Section 5303 of the Federal Transit Act (49 USC 53). The changes made to the program by this amendment are exempt from the requirement that a conformity determination be performed. Therefore, we find this FTIP to conform to the applicable State Implementation Plan (SIP).

This finding has been coordinated with the regional office of the Environmental Protection Agency (EPA) and Region Nine office of the Federal Transit Administration (FTA) in accordance with the procedures outlined in the Memorandum of Understanding, dated March 8, 1996, on single mode amendments.

This letter also constitutes approval and inclusion of TCAG's FTIP Amendment No. 2 into California's 2002/2003 Federal Statewide Transportation Improvement Program (FSTIP).

Sincerely,

For
Gary N. Hamby
Division Administrator
